

Attachment Institute of New England, Inc.

Trauma Focused. Family Centered

Please be aware that emails and texts to our agency or its employees are not encrypted and as a result DO NOT comply with HIPPA regulations. If you choose to communicate with Institute staff using these forms of communication you do so with the acknowledgement that the communication is unprotected and waive your right to the protections of information as offered to you through HIPPA

I _____ acknowledge that all communications through texting and emails are unprotected and as such DO NOT meet the privacy guidelines outlined in HIPPA. I am aware that by using these forms of communication, I waive the rights outlined by HIPPA and release the institute of any/all liability and consent to the use of unprotected communication as stated above.
